Other Structures/Accessories

Manure Storage Pond

Least Protection

1. There is not a fence surrounding the pond; a hazard warning sign is not present.
2. There is not a fence surrounding the pond; a hazard warning sign is prominently displayed around the pond's perimeter.
3. A fence surrounding the pond that can be passed through/under by children, but will keep adults out; gate(s) are locked; a hazard warning sign is not present.
4. A strong, secure fence surrounds the pond and is constructed so that children and others cannot enter the pond area; gate(s) are locked; a hazard warning sign is present but corroded and hard to read.
5. A strong, secure fence surrounds the pond and is constructed so that children and others cannot enter the pond area; gate(s) are locked; a hazard warning sign (see Figure 1 on the next page) is prominently displayed at all access points and/or sides.
